#09 Natural Gray 10.1 oz. Silicone Caulk

Quantity: 1.0

Details:

Commercial 100% Silicone Caulk is designed for use in coves, corners, changes in plane and expansion joints associated with exterior and interior applications of tile and stone. This caulk can be used in pools and other wet area applications. This product can also be used with ceramic and porcelain tile installations.

Pendleton

Quantity: 1.0

Prism #09 Natural Gray

Quantity: 1.0

Material/Finish: Grout

Details:

Prism Ultimate Performance Grout sets a new standard in cement based grout technology. Prism's calcium Aluminate cement based formula offers consistent color with no shading regardless of tile type, temperature or humidity. And it will not effloresce. The rapid setting formula results in high early strength and dense joints for the highest stain resistance in grout joints up to 1/2". A unique blend of lightweight recycled glass and fine aggregate sand allows for a smooth consistency that is easy to spread and clean.

Schluter Brushed Nickel

Quantity: 2.0

Dimensions: 3 /8" x 8'

Material/Finish: Brushed Nickel

Details:

Schiene is designed to finish tile edges on floors. It features an 87° angle to transfer point loads and protect tile edges from chipping. Schiene is ideal for tile transitions to another surface of the same height. The integrated joint spacer ensures a uniform grout joint and the 1/8 in. wide reveal creates a clean and discreet transition for tile floors.

Accommodates tiles 3/8 in. thick

Made of brushed nickel anodized aluminum

Designed for floor applications

Suitable for residential and commercial applications

Prevents tile edges from chipping

Galaviz Swing Arm Sconce

Quantity: 1.0

Dimensions: 30" H X 8" W X 30" D

Material/Finish: Glass, Metal, Brass

Details:

No longer relegated to hotel bedsides, swing arm lamps have made their way into our hearts and homes with their style and versatility. The biggest selling point of these lamps is their ability to direct light anywhere, making them a perfect pick for over nightstands, alongside reading chairs, and nearby workspace desks. This one, for example, is crafted from brass awash in a solid color and features glass, bell-shaped shade. Plus, it's rated for damp areas so it's safe to shine on covered porches or patios.

What's Included?

- Hi-Lo-Off Switch
